Dear Holiday Home Owners/Second Home owners, Visitors to Coll,

If you are not a resident, yet still have knowledge and an opinion on RecyColl second-hand shop, perhaps you would like to complete the form below.

RecyColl has been running the second-hand shop in the Old Hall for over ten years now.

The actual lease from back then disappeared when it went to Oban Solicitors so the situation is ambiguous!

There is a move by the Coll Community Council to possibly finish RecyColl's tenure and put to the island alternative uses for the Hall.

This note, however, is just to ask you if you would like the second-hand shop to stay? For the Volunteers' information as they are due to meet with the CCC soon.

Apart from being a bit tight on volunteers at times, the shop is running well with many contributions constantly being brought in and sales consistent, with islanders and visitors calling in with all sorts of needs or just to see what's on offer.

RecyColl would like to be able to present to the CCC the island's opinion of RecyColl's second-hand shop. And we know a lot of visitors and those who have holiday homes/ second homes here like to use the shop too and therefore would like to give you an opportunity to have your say also.

These responses will be collated separately to the residents' responses.

Your responses will be anonymised
and after counting will be
shredded. (For chicken litter. Keeping
in tune with our raison d'être!)

I would like RecyColl to carry on running the second-hand shop.....YES..... NO.....
